

SADDLEBACK GOLF CLUB

USGA RULES APPLY ONLY SOME OF THE TIME

Welcome to Saddleback! If you are here today playing non-competitively and want to make the day more enjoyable, here are some ideas:

- Feel free to have your group (or any combination of players in your group) play in a scramble format (everyone goes to the best ball and hits from there).
- Scoring is optional – so is playing your ball from where it landed (move it to where you meant it to land).
- Feel free to laugh and carry on like no one is watching – 'cause we're not!
- No one cares how good you play. Everyone cares how fast you play. Keep up with the group in front of you.
